Hotel Information:

**Círculo de Suboficiales de las Fuerzas Militares Sede Colina
Av CII. 138 55 38 Colina Campestre**

Please keep the following things in mind:

- If you have excessive luggage that doesn't fit the allotted space in the transportation to the hotel, you will be responsible for your own transportation to the hotel.
- Because we have people arriving in groups, there may be a little bit of a wait time when you arrive. We will do our best to fill up transportation quickly and get you to the hotel, but please be aware that if you are going to take our program-provided transport there may be a wait.

If you take your your own transportation please take the following into consideration:

- 1) Only take **authorized** taxis from the airport/terminal. There are stands in each location that say "Taxis Autorizados" and often there will be a line of people and a guide controlling the line and taxis.
- 2) The taxi from the airport should be between **\$25.000-\$30.000COP** and the taxi from the terminal to the hotel should be between **\$20.000-\$30.000COP**
please remember that they are CASH only.
- 3) We suggest writing the address on a piece of paper and handing it to taxi driver if you do not feel comfortable using Spanish.
